

extractip.main

```
graph LR; A[extractip.main] --> B[extractip.logger]
```

A diagram showing a dependency between two modules. On the left is a gray rectangular box with a black border containing the text 'extractip.main'. A blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'extractip.logger'.

extractip.logger
